- III. Understanding and identifying Barriers for named populations in WIOA Legislation - Mark Adreon, DSB**
 - Why is this exercise valuable for our work
 - Review the handout from WIOA legislation naming the Individuals with Barriers and Individuals with Disabilities.
 - Review the table developed
 - Everyone will identify an individual/community from the listed (be specific)
 - Then identify a real or virtual aspect of Community Colleges, One Stop Centers core services, intensive services, labs or trainings plus potential access issues to One Stop partners
 - Then – give the example or task
 - Lastly, (Optional) you can identify one possible solution

IV. One Stop Wi-Fi Recommendation - *Mark Adreon, DSB and Eric Wolf, Workforce Board*

- Recommendation background :
- Recommendation clarity on the “What” not the “how”
- Recommendation statement
- Recommendation Discussion
