

Washington Career Bridge

Find the education & training you need
to get the job you want

Plan your future

Whether it's a college degree, apprenticeship, or certificate, Career Bridge helps you discover:

- What you want to do.
- Which education program to choose.
- Which careers are growing.
- How much you'll earn.

Stop guessing, start clicking

Career Bridge has over 6,000 education programs, including apprenticeships. Use the site's searchable database to get details on cost, location and more. Then check out program performance results so you'll know if you're likely to land a job, and how much you'll earn, **before** you enroll.

Printed version available

The Where Are You Going? guide works with Career Bridge to help you plan your career. Order your free guide at 360-709-4600.

Washington Career Bridge

Find the education & training you need
to get the job you want

Start with these tips

Find out what you like to do, the education you need to land the job and how to pay for it!

1. **Explore Careers**—Take a quiz and see how your interests fit with a career.
2. **View Job Trends**—What do careers pay and what education is required?
3. **Find Education**—Locate a program that works for you, including cost, length of training and more.
4. **Performance Results**—Find out how many students completed a program, if they got a job, and what they earned afterward.
5. **Pay for School**—Find financial resources to help pay for your education.
6. **Register with Career Bridge**—Sign in to save your searches to a personal dashboard.
