# working together

Janicki Industries' new 160,000 sq.ft. manufacturing plant in Hamilton, WA was made possible, in part, with participation from the following programs:

- ▶ **Skagit County Economic Development Public Facilities Fund - Skagit County P.U.D. Fiber Optic Project**
- ▶ **Community Economic Revitalization Board (CERB) – Loan and grant to Town of Hamilton for water system upgrade**
- ▶ **WA State Department of Revenue**
  - Rural County Sales Tax Deferral/Waiver
  - Machinery & Equipment Sales Tax Exemption
  - High Tech B&O Credit for R&D
- ▶ **WA State Department of Commerce**
- ▶ **NW Workforce Development Council**

**We appreciate** the targeted tax incentive programs offered by the State of Washington. We would like to thank the staff of the Economic Development Association of Skagit County (EDASC) for facilitating economic partnerships and fostering business growth in Skagit County.

Engineering technologies  
to achieve the  
**impossible!**

**marine**

**ground  
transportation**

**aerospace**  
**wind energy**

**large scale**  
**high precision**

- ▶ Composite Fabrication
- ▶ Proprietary 5-Axis CNC machines unrivaled in size and accuracy
- ▶ Specializing in complex projects with short timelines
- ▶ Production metallic parts
- ▶ Low cost composite tools
- ▶ Prototypes
- ▶ Tooling
- ▶ Parts
