Diversion Cash Assistance	Provides short-term financial assistance to eligible TANF applicants with temporary bona fide needs who are not likely to need continued assistance if those needs are met. Limited to once every 12 months. DCA allows the applicant to accept or maintain employment, and divert the applicant from TANF and long-term welfare dependency. If the families go on TANF within 12 months of receiving DCA, a prorated amount of the DCA payment must be repaid to the state by monthly deductions equal to 5% of the cash grant. U.S. Repatriate Program	Provides temporary emergency cash assistance, food, housing, medical, and transportation to U.S. citizens and their dependents who have returned or been brought to U.S. in cases involving destitution, illness, war, threat of war, invasion or similar crisis, and who are without available resources to return.	U.S. State Department identifies who qualifies for aid under this program and notifies the state.	U.S. Repatriates program serves individuals referred by HHS and their eligibility is limited to the 90 days from return to the country. So there are discrete clients rather than an average monthly caseload. Between July 2013 and June 2014, we served seven individual clients. There were no mass evacuation events during that time period.		
Alien Emergency Medical (AEM)	Immigrants who would qualify for full scope Medicaid except for their alien status. Coverage is limited to emergency medical conditions. Pregnancy (labor and delivery) is considered an emergent medical condition and those services are covered under AEM for undocumented women. CSD only processes AEM cases for individuals age 65 and older.	Income eligibility is based on rules for related full-scope Medicaid programs (e.g., coverage for families, infants, children, pregnant women, and aged, blind and disabled)	AEM Pregnancy: 3,198 AEM Family-related: 66 AEM SSI-related: 338		
SSI Medicaid	Aged, blind and disabled persons who receive Supplemental Security Income (SSI) or who are otherwise deemed to be eligible for SSI Medicaid under federal law.	SSA determines eligibility for SSI using income rules based on Title XVI of the Social Security Act	SSI Medicaid: 122,237		
SSI-related Medicaid	Low-income aged, blind or disabled persons who do not receive SSI.	Persons with countable income that would qualify them for SSI (\$637 for a single person) are Categorically Needy Medicaid. Those with higher incomes are Medically Needy and may be responsible for medical costs equal to their excess income (spenddown).
