

We work for you

WorkSource represents a unique concept in the labor market — everything in one place. Whether you're looking for new employees, need to train current employees, or want to learn more about your local labor market, we can help. The following WorkSource services have been designed with your success in mind.

Recruitment and Screening

No time to take applications? No problem! We can advertise your openings, collect applications, and even pre-screen applicants to make sure they meet your basic criteria.

Testing and Assessment

Looking for someone who can accurately type 65 words per minute? We can assess proficiency levels in keyboarding and a variety of widely-used applications, including Microsoft Windows, Word, Excel, Access, and much more.

Tax Credits and Incentives

Would you like to reduce your taxes by up to \$2400 per new hire this year? We can connect you with qualified applicants and help you complete the necessary forms to start saving today.

Business Center resources

Need more space? Hold your mass application sessions, interviews, and group orientations at our Center. While you're here, use our computers to search résumés and check out local labor statistics online.

What are businesses saying about WorkSource?

"WorkSource has proved to be a trusted resource to depend upon for our employment needs. We appreciate the screening, testing and follow-up provided by WorkSource Business Services."

Billie Luippold -
Marcus Whitman Hotel
and Conference Center

"Worksource is a true partner, able to provide a one-stop recruiting resource, from marketing and advertising to screening. They have provided enormous support, helping employees make the transition from the workplace into alternative pathways. No request is too big or too small."

Mike Rousseau -
Alcoa Intalco Works

"Our goals are to hire veterans, disabled veterans and people living in Historically Under-utilized Business (HUB) zones. WorkSource prescreens the applicants according to our criteria, making our job much easier."

Patrick L. Hughes -
Hughes Group

"We're WorkSource customers, but WorkSource staff are our customers, too. They have local knowledge. They know local business people, and they're out in the community to find out what we need."

Sadie Cohoe -
The Corner Bistro
