

Build a custom-trained workforce with WorkSource

Training can be one of the most expensive and time-consuming activities you face as an employer. Whether you are looking for new employees with a specific skill set or want to upgrade the skills of your current employees, we can save you time and help defray your costs while you build a workforce with the skills you need:

- Apprenticeships
- Skills enhancement
- Basic skills training
- On-the-job training (OJT)
- English as a Second Language (ESL)

We can provide training at your location, our WorkSource Center or at your local community or technical colleges, depending on your needs.

“WorkSource does an excellent job of easing our recruitment burden. We can find a quality fit in a quick turnaround time, with no impact on our budget!”

Valerie Ngaden, Key Technology, Inc.

Call today

We can cover part of your costs, such as curriculum development and up to one half of your worker’s wages. Because training plans are customized, the length of time and reimbursement rate will vary.

Call today to find a solution to your training needs.

“WorkSource has proved to be a trusted resource to depend upon for our employment needs. We appreciate the screening, testing and follow-up provided by WorkSource Business Services.”
